

# Safe Together

**Safe Together** is the message as we continue to meet in person and virtually for Sunday Worship Gatherings. Our goal is to expand intentionally and thoughtfully our virtual, hybrid, and in-person gatherings.

Two in-person modern services are available in the Worship Center, one at 9:00 am and another at 11:00 am. A traditional in-person service will be available in the sanctuary at 10:00 am beginning January 10. Virtual gatherings will continue for both the contemporary and traditional worship services.

During the 9:00 and 11:00 hours, Sunday School is offered for preschoolers. Following the 9:00 am service, elementary children can connect with leaders and peers to build relationships and reinforce online resources. This time includes an additional 30 minutes of family connection for parents to engage with each other and learn about additional resources for family rhythm.

**Please RSVP at [www.coolspring.org](http://www.coolspring.org)** for the service you plan to attend, nursery or preschool.

Adult Life Groups continue to meet virtually. Some groups take a hybrid approach, using in-person and virtual options for gathering. Our goal is to have everyone involved in a group. Life Groups are an intentional way to connect at Cool Spring.

Student Sunday Life Groups have adopted a hybrid approach, with options for in-person & virtual opportunities. **Wednesday Student Life Groups will return in 2021.** Additional gatherings are offered as scheduled and posted on the website. The TRIB3 YouTube channel is a great way to stay connected.

Cool Spring takes your family's health seriously. Safety protocols are always in place as we create additional opportunities to gather safely. As always, if you have questions, please contact [info@coolspring.org](mailto:info@coolspring.org).
